Greetings:

The American Society of Civil Engineers Student Chapter of West Virginia University Institute of Technology (WVU Tech) invites you to mark your calendars for our 52nd Annual ASCE Fall Technical Conference. This year's conference is scheduled for Thursday, November 17, 2016, and will be the last time the conference will be held on the WVU Tech campus in Montgomery WV. We would like to invite all professionals, TECH graduates, and friends to come join us for the conference and to reminisce about the Montgomery, WV campus.

Online registration that can be found on our university home page at <http://www.wvutech.edu>, or via the direct link <http://wvutechasce.wufoo.com/forms/52nd-wvu-tech-asce-fall-technical-conference/>.

This one-day conference will cover five distinct aspects of Civil Engineering industry. Five (5) Professional Development Hours are available for participating in all of the conference activities. Dean Z. Torbica, College of Engineering, will have a briefing about WVU Tech's current status and the future plan regarding the Beckley campus.

Please help us to distribute this conference invitation to your colleagues. If you have any questions or need further assistance, please contact our student chapter president, Cody Webb, at 304-205-3432 or our chapter faculty advisor, Dr. Horng-Jyh "Tigra" Yang, at 304-442-3834.

We hope to see you at the 52nd Annual ASCE Fall Technical Conference!

Sincerely,

Tigra Yang
